Wonders of Peru Tour Itinerary

Day One – May 13

SALT LAKE CITY * HOUSTON (IAH) * LIMA, PERU

Your Peruvian adventure finally begins as you depart for incredible Peru! We will meet guests flying from other cities in Houston. Boarding begins this afternoon for our non-stop flight to Lima, Peru. (meals on plane). **Overnight in Lima**

Day Two – May 14

LIMA * CUSCO * SACRED VALLEY

Wake up feeling rested after a nice hotel stay! Enjoy a full breakfast before taking the **preferred flight** getting us into **Cusco** early this afternoon. We will have a nice **welcome lunch** with our group at a fantastic local restaurant. We then travel to the **Sacred Valley** with picturesque stops along way. Enjoy the scenery all around you as we travel by **deluxe motor coach**. Later this afternoon we arrive at our **5-Star Luxury hotel** where we stay for the next **three nights**. Enjoy the grounds of this beautiful hotel with its full gym, spa, infinity pool, river-walk, yoga center, and fantastic restaurant, with an award-winning chef and much more! Enjoy a welcome dinner with your traveling companions tonight!

(L,D)

Day Three – May 15

SACRED VALLEY * OLLANTAYTAMBO RUINS * PISAC RUINS

Today we visit the town of **Ollantaytambo** and the impressive **Inca ruins**. During the Inca Empire, Ollantaytambo was the royal estate of Emperor Pachacuti who conquered the region, built the town and a ceremonial center. At the time of the Spanish conquest of Peru it served as a stronghold for Manco Inca Yupanqui, leader of the Inca resistance. After spending the morning at the Ollantaytambo Ruins, we'll then take time to walk the **original Inca streets** with our local Peruvian Guides. This is a fascinating experience. Enjoy a great **Lunch** at a local restaurant in the Sacred Valley.

After lunch we visit the incredible Inca Terraces at the **Pisac Ruins**. Most tours only go to Pisac to visit the local market. Trust us when we say you will have PLENTY of time to shop while in Peru! This morning our **Expert Peruvian Guides** will take us to the **Pisac Ruins** high above the Sacred Valley. The Ruins of Pisac are separated along the mountain ridge into four separate groups: **P'isaqa, Inti Watana, Q'allaqasa** and **Kinchiraqay**. We'll spend our afternoon exploring these fascinating ruins. The Pisac Ruins are considered by many to be second only to Machu Picchu. After an unforgettable day and introduction into the Inca Empire, we return to our 5-Star luxury hotel.

(B,L)

Day Four – May 16

SACRED VALLEY * MARA SALT MINES * MORAY TERRACES

Enjoy a full **buffet breakfast** this morning before our visit the incredible **Mara Salt Mines**. With its beautiful landscape in the Sacred Valley, this is another wonder of nature. The **Mara Salt Mines** have been in use by the local people since the pre-Inca civilizations. The locals today are proud to continue using the ancient techniques to mine the salt. With hundreds of salt ponds along the terraces, and as the water seeps into each pond, the sun evaporates the water leaving beautiful salt crystals. After a month the salt reaches 3-inches high and is ready to be harvested. Enjoy the terraces which are surrounded by small streams, the light in the fields, the impressive mountains, the white sea of salt, and the natural beauty around making the Maras, quite magical. After an unforgettable morning at the Salt Mines, we visit the **Moray Terraces**. Thought to have been used as an agricultural testing site, the Moray Terraces are an impressive site to see. Feel the different temperatures as we descend into the many levels of the **Moray Terraces**. We then have a wonderful group **lunch** before returning to our 5-star luxury hotel for some time to rest. **Dinner** tonight is included with your traveling companions.

(B,L,D)

Day Five – May 17

SACRED VALLEY * MACHU PICCHU * AGUAS CALIENTES

Today is one of the highlights of the tour as we visit the incomparable **Machu Picchu**. Board the deluxe **Vista Dome Train** with glass ceilings which takes us to the town of **Aguas Calientes** where our hotel for tonight is located. After arriving at the charming town, we board a bus that will take us to Machu Picchu. Most tours only visit Machu Picchu for two hours on a day trip from Cusco or Ollantaytambo. In our opinion this is a mistake! Two hours at Machu Picchu is not enough time to fully enjoy and learn about this Majestic City high in the Andes. After taking tours to Peru for over 33 years we know the best ways to fully take advantage of our time in each place. For this reason, we spend a **full day in Machu Picchu** and overnight in **Aguas Calientes**. We have **two local Peruvian Educators** in Machu Picchu that will guide the group through all the important sights before letting you explore on your own! After a full day enjoying Machu Picchu we will experience a fun **group dinner with local music tonight**.

(B,LL,D)

* **Note:** Most tours only visit Machu Picchu for a couple hours on a day tour from their Sacred Valley hotel. **This is a mistake!** After getting off the train in Aguas Calientes, you must line up for the buses that transport passengers up the mountain to the entrance of Machu Picchu. By the time other groups take the bus up and enter Machu Picchu, it is almost time for them to line up to catch the bus down! **Again, this is a mistake!** We overnight in Aguas Calientes which means that we do not have to rush through Machu Picchu to catch the bus and then train to return to the Sacred Valley. **Instead**, we take our time exploring this new seven wonders of the world and you can return to our Aguas Calientes hotel when you are ready. **We truly take full advantage of our time!**

Day Six – May 18

AGUAS CALIENTES * CUSCO

After breakfast, we board the **Vista Dome Train** making our way past the famous **Inca Trail** into the Sacred Valley. We'll then board our **deluxe air conditioned, restroom equipped bus** taking us into the city of **Cusco with lunch en-route**. We have a fun **surprise stop** for you on the way! This afternoon we check into our **5-star Luxury hotel**, the **JW Marriott** for the next two nights. This is one of the premier hotels in Peru. Rest break at the hotel before our **special group dinner** with a fantastic **cultural show**

(B,L,D)

Day Seven – May 19

CUSCO

This morning after breakfast, our **Peruvian Expert Educators** will teach us about and take us to many important Inca sites such as: **Sacsayhuaman** - the former Capital of the Inca Empire which sits atop a hill overlooking Cusco, **Coricancha** - revered as the most important Temple in the Inca Empire, **Tambomachay** - consisting of a series of aqueducts, canals and waterfalls that run through the terraced rocks, **Qenko** - one of the largest holy places in the Cusco region and **Puca pucara** - a site of military ruins made of large terraces, walls and staircases. **Lunch with the group** this afternoon. The evening is free to explore Cusco on your own from our centrally located hotel.

(B,L)

Day Eight – May 20

CUSCO * PUNO

After breakfast this morning, we board our **deluxe motor coach** and are joined by the **Premier Local Expert** for the region, we will be visiting (who will be with us for the next several days), and make our way to the city of **Puno**. We'll first visit **Raqchi**, an Inca site of the **Temple of Wiracocha**. En-route we have a stop for **lunch** and some time for souvenir shopping. Later today we arrive at our **luxury 5-star hotel** which has amazing views of **Lake Titicaca**. Enjoy dinner on your own at one of the many restaurants at our hotel.

(B,L)

Day Nine – May 21

LAKE TITICACA * LOS UROS FLOATING ISLANDS * TAQUILE

Today is another highlight of the tour. We board a **private speed boat with our Local Educator** to take us out on **Lake Titicaca**. At 12,500 feet above sea level located on the borders of Peru and Bolivia, it is the world's highest commercially navigable lake. Our first visit is to the people of **Los Uros on their Floating Islands**. Built out of the reed from the lake these floating islands are an amazing site to see. We'll spend time with one of the families who will show us how they make the floating islands and teach us about their fascinating culture. You'll have an option to travel by reed boat to another nearby island where we will spend time with the local school children. Later, we travel to the island of **Taquile** to visit a completely different culture and people. Enjoy lunch with a local family and learn about their fascinating way of life. The people of Taquile are expert weavers and will treat us to a demonstration. We'll also enjoy traditional dances and songs, before returning to our hotel by speedboat. Evening at leisure to enjoy the hotel grounds, spa, and beautiful atmosphere of your 5-star luxury hotel.

(B,L)

Day Ten – May 22

PUNO * AREQUIPA * SANTA CATALINA

Breakfast this morning before departing Lake Titicaca to beautiful **Arequipa**. Our journey takes us from the highlands to the second largest city of Peru. Enjoy the breathtaking views as we travel through the canyons ascending to higher elevations before gradually coming down to near 7000 feet above sea level. Enjoy the fresh mountain air and photo stops along the way. Today we'll have a lunch stop en-route before arriving at Arequipa. Upon arrival we check into our **5-star deluxe luxury hotel for the next two nights**. Evening at leisure to explore the main Plaza with its many shops, restaurants and more.

(B,L)

Day Eleven – May 23

AREQUIPA CITY SIGHTS

After **breakfast**, we'll visit the highlights of **Arequipa**. This colonial city is famous for its faithfulness to the Spanish Crown. Arequipa is surrounded by spectacular mountains, including the volcanoes **El Misti, Chachani, and Picchu Picchu**. A fascinating feature of the city is its many beautiful buildings made of a light-colored volcanic rock called sillar. We'll visit the incomparable **Santa Catalina Convent**. The Convent is listed as one of the thousand must see places to visit in the world along with Machu Picchu, Lake Titicaca, Cusco and Pisac! After an unforgettable visit, enjoy a guided tour of **the Church and Square of San Francisco, Dome of La Compania de Jesus, Colonial Homes, the Plaza de Armas and more!** Enjoy a group lunch this afternoon before returning to the hotel for time to relax and enjoy on your own. We also have an included option to visit the LDS Arequipa Temple for those interested.

(B,L)

Day Twelve – May 24

AREQUIPA * IQUITOS * THE AMAZON

Our journey in Peru now takes us to the Amazon Rain Forest. We'll board our morning flight to Lima and connect to a short flight into Iquitos, the largest city in the **Peruvian Rain Forest**.
